Mr. P. Joseph John *(Electrical Engineer to Government)*: *(a)* Yes.

(b) As the expenditure involved was out of proportion to the return expected, the extension is left over for consideration to later date when materials become cheaper and load improves. Extension of telephone facilities is being included in the programme of extensions during the next 7 years.

Telephone Public Call Office at Nedumangad.

180 *Mr. K. Shahul Hameed: Will the Government be pleased to state:

(a) whether Telephone Public Call Office was sanctioned at Nedumangad town in 1120; and

(b) whether the sanction has been implemented?

Mr. P. Joseph John: *(a)* No. It was sanctioned in 1121.

(b) The work sanctioned in 1121 will be taken up early in 1122.

Supply of Electricity.

181. *Mr. K. G. Narayana Panicker: Will the Government be pleased to state:

(a) the several line extension schemes sanctioned for the supply of electricity; and

(b) whether there is any proposal for line extension to Kadapra and Mannar in view of the new sugar factory to be opened at Kadapra?

Mr. P. Joseph John: *(a)* A *list of line extensions sanctioned in 1121 M. E. is placed on the table.

(b) Not at present.

Mr. K. G Narayana Panicker: With regard to answer (a), may I invite the honourable member's attention to clause 15 in the schedule—line extension to Valanjavattam? May I know from which station the extension of the line is proposed?

Mr. P. Joseph John: From Thiruvella.

Extension of electric lights.

182. *Mr. K. G. Narayana Panicker: Will the Government be pleased to state whether there has been any requisition to extend the lines and the number of electric lights within Thiruvalla Municipal limits?

Mr. P. Joseph John: Yes.

Extension of electricity.

183. *Mr. N. Madhavan Namboothiri *(Travancore Jenmies)*: Will the Government be pleased to state:

(a) whether they have received any representation from the people of Thuravoor showing the necessity and importance of extending the electric wires from Shertallai town up to Adoor; and
